Tambours are a versatile cost-effective storage solution when space is at a premium, such as office walkways and corridors. The inset molded tracks provide smooth door operation and the fully retracting doors enable unrestricted access to the full range of adjustable internal options. With a number of shutter colour options and accessories, tambours can create an interesting contrast throughout the workplace.

Shutter colours : White / Grey / Silver / Black

Internal options : Shelves, combination shelves, pull-out-filing frames, slotted shelves, coat rail shelf, lateral hanging rails and shelf dividers
