

# Lockers.

Ranges : Goodwood

Available from 1 to 10+ doors, and with options to suit various applications and budgets, it's easy to see why Goodwood lockers are an increasingly popular choice for personal storage. As well as our standard dimensions, we also cater for custom designs to fit your style & space.

Our lockers have a unique concealed hinge which eliminates the need for hinge adjustments to align doors - and doors never drop out of line. Bottom compartments can also be manufactured as drawers to assist with low level access. Our full range of options can be seen on page 8-9.
